

UNITED STATES SENATE
WASHINGTON, D.C.

December 17, 2025

Mr. Anuj Dahal

Dear Anuj,

I am pleased to extend my warmest congratulations to you upon successfully completing the Virginia Aerospace Science and Technology Scholars (VASTS) Summer Academy.

Your participation in this program is a testament to your curiosity about science, technology, engineering, and math (STEM) topics. VASTS has allowed you to further your knowledge of these subjects by creating solutions to real-world challenges and collaborating with the National Aeronautics and Space Administration's (NASA) astronauts, engineers, and scientists. I hope that the lessons you learned from this immersive experience at NASA's Langley Research Center will help you reach your goals. I look forward to all that you will achieve in the years ahead.

On this important occasion, I appreciate the opportunity to join with your classmates, family, teachers, and friends in saluting your accomplishments and wishing you success in all of your future endeavors.

Sincerely,

MARK R. WARNER
United States Senator
